# In A Nutshell

Headteacher's Newsletter Spring Term 2024 Week 10

Dear All,

This week, we've packed a huge amount of learning in! On Monday, Mr Poulloin turned into Science Extraordinaire conducting live experiments in assembly, launching the start of British Science Week!

This week's theme is 'the passing of time,' - so classes have embraced this through undertaking buddy class time investigations. It was lovely to see cross Key Stages working together, using their observation and collaborative skills. Years 1 and 2 created bouncing bubbles and dancing raisins; Years 3 and 5 inflated a balloon using bicarbonate of soda; and Years 4 and 6 grew a rainbow.

I had the absolute delight to accompany Year 3 on their walk to Warlingham, learning about our local history, sharing ghost stories at Willy Pit's Pond and the importance of The Green and the Memorial. We also went to the library and saw what it has to offer. Our trip ended with a respectful meander through All Saints Church where they found the tomb of Sir Joseph Swan, who helped invent the light bulb and one of the oldest yew tree in the country—a whopping 2430 years old!

I was also proud to take the Co-Chair of Trustees around our Primary and Nursery sites. The children impressed him with their contributions to Science, Spanish, DT and computing lessons as well as seeing Acorns children enjoying the outdoors on their bikes and cars!

A big thank you to Mr Connery who came to judge the staff Red Nose Day Bake Off! The winner of the funniest bake was Mrs Booker; the Honorary Connery bake, Mrs Palmer; and the Star Baker went to Mr Cauthery. We hope you will enjoy the cakes after school today with all proceeds going towards this charity. So far you have raised **£175**— thank you to you all!!

Wishing you all a lovely weekend

Mrs Mace

This week, the children were delighted to welcome a new visitor to our nursery. "Neil the tortoise" came for a short stay with us and the children have really enjoyed spending some time with him. They have got to learn some interesting facts about tortoises and have enjoyed lots of tortoise themed activities. Some children have created their own tortoises in the art area, others have designed a tortoise home for Neil. We even made tortoise biscuits!

We have also continued our animal topic by extending our interest to British wildlife animals. We have observed the differences between animal footprints, we have been learning what different animal homes are called and we have looked around our amazing outdoor space and have discovered a bird's nest and evidence of an old fox den!

Please can we ask adults to supervise any children at the start and end of the day—children should not be climbing any of the outdoor play equipment. Thank you for your co-operation.

### Absences & Sickness

**If your child is absent from school, please email [absence@hamseytlt.co.uk](mailto:absence@hamseytlt.co.uk) or leave a message on the absence line (01883 622000 option 1).** Please let us know their full name, class and reason; including any symptoms they may be displaying. We do need to hear from an adult each day a child is absent for safeguarding reasons. Please do not bring your child to school if they have been sick during the night. If your child has been sick or has an upset stomach, children may be off school for 48 hours following the last episode, each case is dealt with separately.

Thank you for your co-operation.

### Everything to know about the expansion: Apply for the first phase by 31 March

In 2023, as part of the Spring Budget, the government announced that they would be introducing several new measures that aim to support education and make childcare more accessible to parents and carers who are looking to return to work. This included the expansion of early years funded entitlements, starting from April 2024 onwards. By September 2025, most working families with children under the age of 5 will be entitled to 30 hours of early education and childcare support.

The new entitlements will be introduced in phases:

**From April 2024**, eligible working parents and carers of 2 year olds can access 15 hours funded early education and childcare (over 38 weeks a year) **from the term after** their child's 2nd birthday.

**From Sept 2024**, eligible working parents and carers of children aged 9 months and above can access 15 hours funded early education and childcare (over 38 weeks a year) **from the term after** their child turning 9 months.

**From Sept 2025**, the offer will be rolled out in full, with eligible working parents and carers of children aged 9 months and above able to access 30 hours funded early education and childcare (over 38 weeks a year) **from the term after** their child turning 9 months.

**By September 2026**, all parents and carers who require [wraparound childcare](#) should be able to have access, either from their school or from another provider in their local area. The number of wraparound childcare places available for primary school aged children across the county will be increasing from **September 2024 onwards** in preparation for this.

The first phase of the expansion launches in April and will allow eligible working parents and carers of two-year-olds to claim 15 hours of funded early education and childcare. **Eligible working parents and carers who are interested in applying for this entitlement will need to ensure that they have received their code by 31 March.**

Parents and carers can check their eligibility and apply for the entitlement through the [Childcare Choices](#) website. **Please share this information with parents and carers who may be interested, particularly those who may have children with younger siblings.**

More information on the expansion and the different funding available in Surrey can be found on our [Funded childcare in Surrey](#) webpage.

A useful guide for parents, including everything to know about the expansion and preparing for the first phase, will also be available in the March edition of [Surrey Matters](#). Residents can sign up to receive the Surrey Matters newsletter [here](#)

### **ACTION: UKHSA advice for education and childcare settings amid high levels of flu, COVID-19 and scarlet fever**

As winter illnesses continue to circulate at high levels and pupils are returning to education, the UK Health Security Agency (UKHSA) has published a [reminder on how to minimise the spread of illness in education and childcare settings](#). UKHSA advice remains clear that children can continue to attend as normal unless they are unwell and have a high temperature. [Further information](#) on when a child is too ill for school or nursery is available. There is no requirement to be absent from school on a precautionary basis. School staff should continue to maintain their high expectations for face-to-face attendance. For further information, please also see our Education Hub post on the [latest guidelines around COVID-19](#) and for Strep A, our separate post on the [exact circumstances in which children should be kept off school](#). UKHSA is providing regular updates on [Strep A](#). Both UKHSA and DfE are continuing to closely monitor the situation. To help reduce the risk of some illnesses, including flu, vaccinations are being provided in schools. UKHSA, in collaboration with NHS England and DfE, have produced a [briefing for secondary schools](#) giving details about all vaccines offered to adolescents in schools and the role that schools play. This includes information on the flu vaccination programme being offered this year to those in Years 7, 8 and 9. **If any children are on antibiotics 4 times a day—this can be administered in school—please come to the office to complete a form and speak with the office staff regarding administration of this.**

## Parking

We have been made aware of some inconsiderate parking and unacceptable behaviour/language towards our neighbours at drop off and pick up times. **Please park considerately around the neighbouring properties to the school. According to the Highway Code it is an offence to park across driveways and it is illegal to park over dropped kerbs. Parking on a private driveway without consent is a civil offence of trespass and may result in prosecution.** Thank you for your assistance.

## Healthy pack lunches

We've noticed that some of the pack lunches coming into school are not necessarily healthy or nutritious. Please can you ensure that what you send in is enough to keep them going for their afternoon lessons.

**Please remember we are a nut free school—this includes spreads that may contain nuts.**

**FOR NEWSLETTER FOR ALL PARENTS FROM SCHOOLS**

Dear Parent/Carer

We are aware that the pandemic has had an effect on families, but the expectation is still that every child should now be attending school full time. If you consider that there are exceptional circumstances relating to your request, please let the school have full details. Each application for a leave of absence will be considered on a case by case basis.

**Penalty Notices to Address Poor Attendance at School**

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Inclusion Officers (formerly Education Welfare Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).
  - Please be aware that The Education (Pupil Registration)(England)(Amendment) Regulations 2013, which became law on 1st September 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.
  - The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted.
  - In such cases the Headteacher/Governing Body must decide whether there are exceptional circumstances. They may request that the Local Authority issue Penalty Notices when the absence is not authorised. Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.
3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance. This will be considered when a pupil has incurred 7 or more unauthorised sessions in the previous 6 school weeks, which may include a pupil arriving late after close of registration. If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance. If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Inclusion Officer.

**Penalty Notice relating to Exclusions**

If a child is excluded from school, Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours. This duty applies to the first five days of each exclusion. Failure to do so will render the parent/carer liable to a Penalty Notice. (Alternative education provision will be made available from the sixth day of any exclusion.)

**Amount Payable for a Penalty Notice**

The amount payable for a Penalty Notice issued in any of the above circumstances is currently £60 if paid within 21 days of receipt of the Notice, rising to £120 if paid after 21 days but within 28 days. If the Penalty Notice is not paid, the local Authority must consider a prosecution in the Magistrates Court for the offence for which the Notice was originally issued. Please be aware that each parent is liable to receive a Penalty Notice for each child who incurs unauthorised absences, for example, if there are two parents and one child, each parent will receive one Penalty Notice. If there are two parents, and two children incur unauthorised absences, each parent will receive two Penalty Notices, which in this case would amount to £120 each if paid within 21 days. **From 1<sup>st</sup> September 2024 the amount will be increasing to £80.00 and rising to £180.00 if not paid within 21 days. Any absences taken after the 2024 May half term may incur this higher penalty fee next academic year.**
