Headteacher's Newsletter Spring Term 2024 Week 8

Dear All

This week we have battled the elements again! Reception classes have adapted to the weather, enjoying their second lesson on the large apparatus this week. They experimented with moving imaginatively on and over the equipment. They also tried taking risks in a safe way. I have to admit I was very jealous and desperate to join in! Butterworth have also been very busy— they have been reading the Rainbow Fish stories and have collaborated together to create scales

for their very own Rainbow Fish which is now displayed proudly in their classroom. The children demonstrated their 'collaboration' value extremely well as they worked hard as a team to complete it!

On Tuesday, Years 5 and 6 learnt so much in their fun filled workshop called 'Who Cares?'. A drama group shared with them, the wonderful things the NHS does for us through a variety of songs, dances and stories. They found out about all aspects the NHS services have to offer such as: speech and language therapy, dietitians and opticians. The show also showed the children how the NHS has developed over the years. One child said at the end of the show, "WOW, we are lucky to have this service".

A huge thank you to a parent who's office has donated four lovely Harry Potter style floor mats. We have our very own Platform 9 3/4 area outside my office now which the children are very excited about!

Next week is Book Week, we hope this continues to develop further our children (and adults) love of reading!

Wishing you a lovely weekend.

Mrs Mace

16th April—Primary School offer day

This week, the children have continued to enjoy exploring the topic of animals. Lots of families have posted pictures of their family pets or animal encounters via our online learning journal - Tapestry. The children have really enjoyed looking at their own pictures as well as those of their friends. We have also looked at real live animal virtual tours of zoo animals.

The children have been interested in looking at a map of the world to identify what different continents wild animals come from. Each child chose a picture of an animal and as a group we spoke about their appearance, their diet and what kind of habitat they thought that animal might live in. We then used an Ipad to see if the children's ideas and knowledge were correct. Each child matched their animal picture to the correct continent. This was a great opportunity for the children to develop their "Understanding of the World skills."

We have encouraged the children to recognise their own names in our daily phonics sessions as well as identifying the initial letter/sound of their name. We have also extended this to animal names and sounds.

The children have also been very creative in making the characters from our Talk for Writing story "Dear Zoo", which we have displayed around the nursery. They have also attempted to paint their own animals, using a real picture as a prompt.

Please can we ask adults to supervise any children at the start and end of the day—children should not be climbing any of the outdoor play equipment. Thank you for your co-operation.

Absences & Sickness

If your child is absent from school, please email absence@hamseytlt.co.uk or leave a message on the absence line (01883 622000 option 1). Please let us know their full name, class and reason; including any symptoms they may be displaying. We do need to hear from an adult each day a child is absent for safeguarding reasons. Please do not bring your child to school if they have been sick during the night. If your child has been sick or has an upset stomach, children may be off school for 48 hours following the last episode, each case is dealt with separately.

Thank you for your co-operation.

Everything to know about the expansion: Apply for the first phase by 31 March

In 2023, as part of the Spring Budget, the government announced that they would be introducing several new measures that aim to support education and make childcare more accessible to parents and carers who are looking to return to work. This included the expansion of early years funded entitlements, starting from April 2024 onwards. By September 2025, most working families with children under the age of 5 will be entitled to 30 hours of early education and childcare support.

The new entitlements will be introduced in phases:

From April 2024, eligible working parents and carers of 2 year olds can access 15 hours funded early education and childcare (over 38 weeks a year) **from the term after** their child's 2nd birthday.

From Sept 2024, eligible working parents and carers of children aged 9 months and above can access 15 hours funded early education and childcare (over 38 weeks a year) **from the term after** their child turning 9 months.

From Sept 2025, the offer will be rolled out in full, with eligible working parents and carers of children aged 9 months and above able to access 30 hours funded early education and childcare (over 38 weeks a year) **from the term after** their child turning 9 months.

By September 2026, all parents and carers who require [wraparound childcare](#) should be able to have access, either from their school or from another provider in their local area. The number of wraparound childcare places available for primary school aged children across the county will be increasing from **September 2024 onwards** in preparation for this.

The first phase of the expansion launches in April and will allow eligible working parents and carers of two-year-olds to claim 15 hours of funded early education and childcare. **Eligible working parents and carers who are interested in applying for this entitlement will need to ensure that they have received their code by 31 March.**

Parents and carers can check their eligibility and apply for the entitlement through the [Childcare Choices](#) website. **Please share this information with parents and carers who may be interested, particularly those who may have children with younger siblings.**

More information on the expansion and the different funding available in Surrey can be found on our [Funded childcare in Surrey](#) webpage.

A useful guide for parents, including everything to know about the expansion and preparing for the first phase, will also be available in the March edition of [Surrey Matters](#). Residents can sign up to receive the Surrey Matters newsletter [here](#)

ACTION: UKHSA advice for education and childcare settings amid high levels of flu, COVID-19 and scarlet fever

As winter illnesses continue to circulate at high levels and pupils are returning to education, the UK Health Security Agency (UKHSA) has published a [reminder on how to minimise the spread of illness in education and childcare settings](#). UKHSA advice remains clear that children can continue to attend as normal unless they are unwell and have a high temperature. [Further information](#) on when a child is too ill for school or nursery is available. There is no requirement to be absent from school on a precautionary basis. School staff should continue to maintain their high expectations for face-to-face attendance. For further information, please also see our Education Hub post on the [latest guidelines around COVID-19](#) and for Strep A, our separate post on the [exact circumstances in which children should be kept off school](#). UKHSA is providing regular updates on [Strep A](#). Both UKHSA and DfE are continuing to closely monitor the situation. To help reduce the risk of some illnesses, including flu, vaccinations are being provided in schools. UKHSA, in collaboration with NHS England and DfE, have produced a [briefing for secondary schools](#) giving details about all vaccines offered to adolescents in schools and the role that schools play. This includes information on the flu vaccination programme being offered this year to those in Years 7, 8 and 9. **If any children are on antibiotics 4 times a day—this can be administered in school—please come to the office to complete a form and speak with the office staff regarding administration of this.**

FOR NEWSLETTER FOR ALL PARENTS FROM SCHOOLS

Dear Parent/Carer

We are aware that the pandemic has had an effect on families, but the expectation is still that every child should now be attending school full time. If you consider that there are exceptional circumstances relating to your request, please let the school have full details. Each application for a leave of absence will be considered on a case by case basis.

Penalty Notices to Address Poor Attendance at School

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Inclusion Officers (formerly Education Welfare Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).
 - Please be aware that The Education (Pupil Registration)(England)(Amendment) Regulations 2013, which became law on 1st September 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.
 - The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted.
 - In such cases the Headteacher/Governing Body must decide whether there are exceptional circumstances. They may request that the Local Authority issue Penalty Notices when the absence is not authorised. Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.
3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance. This will be considered when a pupil has incurred 7 or more unauthorised sessions in the previous 6 school weeks, which may include a pupil arriving late after close of registration. If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance. If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Inclusion Officer.

Penalty Notice relating to Exclusions

If a child is excluded from school, Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours. This duty applies to the first five days of each exclusion. Failure to do so will render the parent/carer liable to a Penalty Notice. (Alternative education provision will be made available from the sixth day of any exclusion.)

Amount Payable for a Penalty Notice

The amount payable for a Penalty Notice issued in any of the above circumstances is currently £60 if paid within 21 days of receipt of the Notice, rising to £120 if paid after 21 days but within 28 days. If the Penalty Notice is not paid, the local Authority must consider a prosecution in the Magistrates Court for the offence for which the Notice was originally issued. Please be aware that each parent is liable to receive a Penalty Notice for each child who incurs unauthorised absences, for example, if there are two parents and one child, each parent will receive one Penalty Notice. If there are two parents, and two children incur unauthorised absences, each parent will receive two Penalty Notices, which in this case would amount to £120 each if paid within 21 days. **From 1st September 2024 the amount will be increasing to £80.00 and rising to £180.00 if not paid within 21 days. Any absences taken after the 2024 May half term may incur this higher penalty fee next academic year.**
