

In A Nutshell

Headteacher's Newsletter Spring Term 2026 Week 5

Dear All

On Monday, Year 4 started their new maths topic focusing on measurement by using their understanding of cm and m to measure items around the school, including themselves.

Although we couldn't find anything that was 1km long, we did run this later in PE so

children could experience how long it took to run 1km! SES Water also visited year 4 on Monday for a fantastic workshop explaining the process of how river water is turned into water we can use at school and home. The children learnt about all the things that SES Water must remove from the water and how this is done with a live action demonstration from our visitor. The workshop ended with children discussing the importance of saving water and how they can do this at home.

Year 5 have been learning about mummification in topic; therefore, an experiment has taken place using quarters of an apple, paper, and salt to see which quarter was preserved the best. The apples will be left for a week then checked. The children have made a prediction, labelled diagrams and written their method so far!

In PE this week, Reception have been working on control and strength, developing their balances. They worked alone on different positions including side plank; and then developed their own ideas working with a partner.

Today was NSPCC Number Day! The children looked amazing in their outfits and had great fun with Maths games!

As part of their transition, Year 6 have enjoyed watching Warlingham Secondary School's production of Bugsy Malone. The singing and dancing were superb!

Polite reminder: If you need to speak with your class teacher, please could we request that this is not at drop off and that arrange a suitable time for a meeting or phone call, use Dojo to pass a message or speak at the end of the day? Thank you

Our story this week was on the African folktale 'How the zebra got his stripes'. In the story we learnt that the zebra was originally completely white until the day he had a disagreement with a baboon, who would not share his water pool when the zebra needed a drink. The zebra accidentally fell into an old fire pit, which created his stripes from the burnt wood (charcoal).

We explored the morals of the story which promoted lots of discussions on sharing and resolution of problems.

We have created zebras using different mediums including playdough, collage, and paints. Some of the children got creative on a black and white mural.

We have explored the pattern creation of the zebra's stripes using charcoal, chalks, paints, and collage. We have practised our scissor skills to cut stripes for the zebra. We also worked on our hand and eye coordination by rolling marbles in a tray of black paint to create zebra stripes.

In Talk For Writing, the children have created their own five sentence stories, and they also innovated the story of 'Handa's Surprise'.

Some of the children have also taken part in experiments to make transfers with dry markers and water and some children explored crayon and paint wash painting. They have also enjoyed shaving foam play, musical instruments and throwing and catching games.

If you have any problems with Arbor such as logging in, selecting meal choices etc., please contact the office at office@hamseytl.co.uk in the first instance and not the class teacher. The office staff can usually solve any issues very quickly!

If your child has an asthma inhaler in school—please come and check with the office that what we have is adequate should your child need to use it during the school day. We have had quite a high need of children needing to use their inhalers over the last couple of weeks. Thank you for your co-operation.

If you receive a letter that is addressed to another student, please return it unopened to the school office. Thank you for your help.

Collection of Hamsey Green children by older siblings

Please be reminded that children can only be collected by someone over the age **16**; unless we have been given written permission from a parent for those in Years 5 and 6 to leave without an adult.

After school activities

If your child is not going to be attending an after school activity but has been in school that day, please can you **inform the office** and not the class teacher. The office maintains the registers for all clubs and needs to be aware of any child who is not going to be in attendance. Thank you for your co-operation.

Children should **NOT** be riding their scooters or bikes through the staff car park, down the driveway or through the playground at the beginning or end of the school day. Please ask the children to dismount and ensure you supervise your children whilst they are on them. Adults have reported some children are riding on the school grounds that is likely to cause an accident or damage to cars. Thank you for your co-operation.

PARKING & ROAD SAFETY

Once again, we have had some phonecalls from neighbouring properties regarding inconsiderate parking and unacceptable behaviour/language towards our neighbours at drop off and pick up times. **Please park considerately around the neighbouring properties to the school. According to the Highway Code it is an offence to park across driveways and it is illegal to park over dropped kerbs. Parking on a private driveway without consent is a civil offence of trespass and may result in prosecution. This is applicable even if you have put your hazard lights on.** A number of parents have raised concerns regarding speeding traffic on Tithepit Shaw Lane at drop off and collection times. Please complete the road safety assessment form for Surrey to assess the road. [Select the option most like the issue - Report a highway issue - Surrey County Council \(surreycc.gov.uk\)](#) - please select Road Safety Outside a School. Should anyone be interested, there is a vacancy for Road Crossing Patrol for outside the school. This is a paid vacancy through Surrey County Council.

Absences, medical appointments & sickness

If your child is absent from school or has a medical appointment, please email absence@hamseytlt.co.uk or leave a message on the absence line (01883 622000 option 1). Please let us know their full name, class and reason; including any symptoms they may be displaying. We do need to hear from an adult **each day** a child is absent for safeguarding reasons. Please do not bring your child to school if they have been sick during the night. If your child has been sick or has an upset stomach, children may be off school for 48 hours following the last episode, each case is dealt with separately.

To avoid impacting your child's attendance ALL medical/dental/optician appointments should be booked outside of school hours

Thank you for your co-operation.

[Is my child too ill for school? - NHS \(www.nhs.uk\)](#) Please read this guidance before keeping your child off.

FOR NEWSLETTER FOR ALL PARENTS FROM SCHOOLS

If you consider that there are exceptional circumstances relating to your request, please let the school have full details. Each application for a leave of absence will be considered on a case by case basis.

Penalty Notices to Address Poor Attendance at School

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Attendance Advice Officers (formerly Education Welfare Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).

Please be aware that The Education (Pupil Registration)(England)(Amendment) Regulations 2013, which became law on 01 September 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.

The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted.

In such cases the Headteacher/Governing Body must decide whether there are exceptional circumstances. They may request that Surrey County Council issue Penalty Notices when the absence is not authorised.

Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.

3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance.

This will be considered when a pupil has incurred 10 or more unauthorised sessions in the previous 10 school weeks, which may include a pupil arriving late after close of registration.

If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance.

If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Attendance Advice Officer.

Penalty Notice relating to Exclusions

If a child is excluded from school, Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours.

This duty applies to the **first five days of each exclusion**. Failure to do so will render the parent/carer liable to a Penalty Notice. (Alternative education provision will be made available from the sixth day of any exclusion.)

Amount Payable for a Penalty Notice and Consequences for repeat unauthorised absences

1. If you have not incurred a penalty notice relating to this child/children [in a rolling 3 year period](#) since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.
3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.
