

In A Nutshell

Headteacher's Newsletter Summer Term 2026 Week 11

Dear All

My final week full week at school has been a busy one! This week, we hosted the Warlingham and Caterham District Sports KS2, which involved about 70 children representing Hamsey Green in high jump, long jump, triple jump, spring jumps, cricket and rounders ball throwing, relay, sprint and long distance. The children were absolutely amazing, giving it their all to achieve their best against nine other schools. Not only did we witness their skills but they demonstrated true kindness and sportsmanship. Congratulations to them all. Hamsey Green won the field events on Monday and were enthusiastic in the track events on Thursday. We came a fantastic 4th overall! Well done to all who took part!

For our Design and Technology learning this half term (linked to our seaside topic), the children have been exploring the history of the Ferris wheel; investigating strong structures and mechanisms, and designing their own Ferris wheels. Today, the children worked collaboratively and showed resilience as they brought their designs to life by building their very own Ferris wheels. We were so impressed with their teamwork, creativity, and determination throughout the process! Well done Year Two!

Throughout the year, Year Five have been working with Crystal Palace For Life coaches on planning a sustainability event that they have organised for 3rd July named 'Wheels' day'. The children have planned events involving scooters, bikes and tricycles. Over the last few months, the children have been promoting alternative ways to get to school and shared their learning with the whole school. We have been impressed with the children's ongoing commitment to support sustainability, well-being and healthy choices. We hope they all enjoyed themselves!

We look forward to seeing some of you at the Trust Art Exhibition this evening! Here is a glimpse of the hard work the Hamsey and Acorns pupils have been collaborating on.

For those of you who have children at the Camp Evening, we hope you all have a lovely evening until 9pm where a weary staff will hand them back to you! A huge thank you to the staff who have given up their time to support this event. I am sure the children will enjoy camp fires, fire lighting and festival fun!

Wishing you a lovely weekend!

Mrs Mace

This week at Acorns Nursery we have continued our holiday theme by exploring beach holidays. The slightly cooler weather this week has been very welcome after last week's heatwave!

Our beach theme has inspired lots of exciting learning experiences. Together, we created a list of the things we might see or find on a beach holiday and the children enjoyed sharing their own holiday memories and experiences with their friends. The water trays became seaside adventures as the children used nets to catch a variety of sea creatures. They also had great fun balancing small teddy bear figures on surfboards, developing their coordination and problem-solving skills. In the creative area, the children made shell prints in clay as well as assorted sand pictures. They also painted colourful ice creams whilst talking about favourite flavours.

Our budding bakers made or decorated delicious beach-themed teddy bear biscuits. We even had an ice cream parlour using coloured shaving foam, to make ice cream cones.

Our younger children used small hammers to hit and direct ping pong balls into numbered cups, helping to develop their hand-eye coordination whilst practising their number recognition. With the recent start of Wimbledon, the children also enjoyed lots of opportunities to play tennis, developing their gross motor skills, coordination and turn-taking while having fun together.

As part of our discussions about caring for our environment, some children used paper cup grabbers to collect litter from our 'beach', helping them to understand the importance of keeping our beaches clean and protecting wildlife.

We were also delighted to welcome Mrs Jordan and Miss Richards, who visited our setting to read stories to the children who will be starting at Hamsey Green School this September. It was a lovely opportunity for the children to become more familiar with members of the school community, helping to build excitement and confidence as they prepare for this important next step.

If you have any problems with Arbor such as logging in, selecting meal choices etc., please contact the office at office@hamseytlt.co.uk in the first instance and not the class teacher. The office staff can usually solve any issues very quickly!

If your child has an asthma inhaler in school—please come and check with the office that what we have is adequate should your child need to use it during the school day. We have had quite a high need of children needing to use their inhalers over the last couple of weeks. Thank you for your co-operation.

Communication this week

If you receive a letter that is addressed to another student, please return it unopened to the school office. Thank you for your help.

Free upcycling activities for primary schools

The Surrey Environment Partnership (SEP) has produced a range of fun and engaging activities for primary school pupils to enjoy in school and at home.

Developed by Wastebuster, a non-profit environmental education programme, the free resources include how-to-guides showing children how to transform everyday items into rockets, bird feeders, windmills and more!

To download the resources, visit the [SEP website](#).

Staying safe around water this summer

As the weather warms up, more young people are spending time outdoors and around open water. Surrey Fire and Rescue Service is reminding families to stay safe around water this summer.

We ask parents and carers to have an open conversation at home about staying safe near rivers, lakes, reservoirs and quarries. While these places may look calm and inviting, they can be extremely dangerous. Cold water shock, hidden hazards, sudden drops and unstable ground can all pose serious risks, even for strong swimmers.

Figures show that between 2019 and 2024, 1,602 people in the UK lost their lives in accidental drowning incidents. 56% (901) of these occurred in inland waters such as rivers, lakes and reservoirs. Alarmingly, around half of those who drown had no intention of entering the water, with slips, trips and falls identified as a leading cause.

We are also seeing an increase in risk-taking behaviour, including swimming in unsupervised areas, jumping into unknown water and accessing restricted locations. These situations can escalate quickly and may be difficult for emergency services to reach.

It's important that young people know what to do if they find themselves in trouble in the water. Teach your child to Float to Live: tilt their head back with ears submerged, relax and try to control their breathing, use their hands and legs to stay afloat, and once the effects of cold water shock have passed, call for help or swim to safety if able.

Please also remind your child that if they ever see someone in trouble in the water, they should call **999** immediately and never attempt a rescue themselves.

Please encourage your child to stay out of unsafe water, follow warning signs and look out for their friends. By talking about the risks and how to respond, we can help keep young people safe around water this summer.

Swimming request

If you have any outgrown swimming costumes or swimming trunks in good condition for children that are year 5 or year 6 age group; we would be grateful to receive them as much needed spares for the school. Thank you for your help.

The Information Commissioner's Office (ICO) has launched the [Switched on to privacy](#) campaign. This is designed to help parents and carers have conversations with their children about online privacy.

Maintaining high attendance

At primary school, children who have high attendance (95-100% attendance) in Year 6 are 30% more likely to achieve the expected standard in reading, writing and maths compared to similar pupils who miss just 2-4 weeks of school (90-95% attendance).

Collection of Hamsey Green children by older siblings

Please be reminded that children can only be collected by someone over the age **16**; unless we have been given written permission from a parent for those in Years 5 and 6 to leave without an adult.

After school activities

If your child is not going to be attending an after school activity but has been in school that day, please can you **inform the office** and not the class teacher. The office maintains the registers for all clubs and needs to be aware of any child who is not going to be in attendance. Thank you for your co-operation.

Children should **NOT** be riding their scooters or bikes through the staff car park, down the driveway or through the playground at the beginning or end of the school day. Please ask the children to dismount and ensure you supervise your children whilst they are on them. Adults have reported some children are riding on the school grounds that is likely to cause an accident or damage to cars. Thank you for your co-operation.

PARKING & ROAD SAFETY

Once again, we have had some phonecalls from neighbouring properties regarding inconsiderate parking and unacceptable behaviour/language towards our neighbours at drop off and pick up times. **Please park considerately around the neighbouring properties to the school. According to the Highway Code it is an offence to park across driveways and it is illegal to park over dropped kerbs. Parking on a private driveway without consent is a civil offence of trespass and may result in prosecution. This is applicable even if you have put your hazard lights on.** A number of parents have raised concerns regarding speeding traffic on Tithepit Shaw Lane at drop off and collection times. Please complete the road safety assessment form for Surrey to assess the road. [Select the option most like the issue - Report a highway issue - Surrey County Council \(surreycc.gov.uk\)](#) - please select Road Safety Outside a School. Should anyone be interested, there is a vacancy for Road Crossing Patrol for outside the school. This is a paid vacancy through Surrey County Council.

Absences, medical appointments & sickness

If your child is absent from school or has a medical appointment, please email absence@hamseytlt.co.uk or leave a message on the absence line (01883 622000 option 1). Please let us know their full name, class and reason; including any symptoms they may be displaying. We do need to hear from an adult **each day** a child is absent for safeguarding reasons. Please do not bring your child to school if they have been sick during the night. If your child has been sick or has an upset stomach, children may be off school for 48 hours following the last episode, each case is dealt with separately.

To avoid impacting your child's attendance ALL medical/dental/optician appointments should be booked outside of school hours

Thank you for your co-operation.

[Is my child too ill for school? - NHS \(www.nhs.uk\)](#) Please read this guidance before keeping your child off.

Healthy packed lunches

We've noticed that some of the packed lunches coming into school are not necessarily healthy or nutritious. Please can you ensure that what you send in is enough to keep them going for their afternoon lessons.

PLEASE REMEMBER WE ARE A NUT FREE SCHOOL—THIS INCLUDES SPREADS THAT MAY CONTAIN NUTS INCLUDING NUTELLA. THIS IS ALSO APPLICABLE FOR ANY EDUCATIONAL TRIPS.

Healthy Snacks & Lunchbox

P2IP

Bring **WATER** everyday!

Putting tap water in a reusable bottle is FREE and will help keep your child hydrated all day!

Whole Grains

(Great for Snack or Lunch)
Make sandwiches with whole grain bread. Look for labels that say "100% Whole Grain"

Fruit

(Great for Snack or Lunch)
Pack fresh fruit each day for snack and lunch. These are easy, convenient ways to add fruits to your day

Pack healthy snacks each day. Add a healthy sweet or savory treat. Try whole grain crackers and pretzels for savory snacks or dried fruits for sweet treats.

Snacks

Add veggies in your child's lunch. They add a healthy crunch instead of chips.

Veggies

We are collecting used printer ink cartridges. Please bring them and put them into the recycling box in the office. We are unable to recycle toner or laser cartridges. Any cartridges recycled, helps the school to raise some money. Thank you!

We are regularly asked by parents, carers, grandparents and friends of the school as to how you can support the school to continue to provide a rich, wide-ranging curriculum and a high standard of education. If you would like and are able, to support the school and your child's education, please buy one of the books on our Amazon wishlist. This will arrive at school a few days later and be added to the children's non-fiction book box or class library.

FOR NEWSLETTER FOR ALL PARENTS FROM SCHOOLS

If you consider that there are exceptional circumstances relating to your request, please let the school have full details. Each application for a leave of absence will be considered on a case by case basis.

Penalty Notices to Address Poor Attendance at School

A Penalty Notice may be issued as an alternative to the prosecution of a parent/carer for their child's unauthorised absence from school (absence without the agreement of the school or not covered by a medical note) and will be used by Surrey County Council in the following circumstances :-

1. Pupils identified by police and Attendance Advice Officers (formerly Education Welfare Officers) engaged on Truancy Patrols and who have incurred unauthorised absences.
2. Leave of absence in term time (5 days or 10 sessions or more).

Please be aware that The Education (Pupil Registration)(England)(Amendment) Regulations 2013, which became law on 01 September 2013 state that Headteachers may not grant any leave of absence during term time unless there are exceptional circumstances.

The Headteacher is also required to determine the number of school days a child can be away from school if leave is granted.

In such cases the Headteacher/Governing Body must decide whether there are exceptional circumstances. They may request that Surrey County Council issue Penalty Notices when the absence is not authorised.

Warnings will not be given where it can be shown that parents have been notified that such absences will not be authorised.

3. Finally, the issuing of a Penalty Notice will also be considered where it is judged that a parent is failing to ensure their child's regular school attendance.

This will be considered when a pupil has incurred 10 or more unauthorised sessions in the previous 10 school weeks, which may include a pupil arriving late after close of registration.

If you believe at any stage that your child's absence from school may leave you liable to receive a Penalty Notice, it is extremely important that you act without delay to secure their regular attendance.

If you have any questions or require further support to achieve an improvement in your child's attendance, please contact your child's school or the Attendance Advice Officer.

Penalty Notice relating to Exclusions

If a child is excluded from school, Section 103 of the Education and Inspections Act 2006 places a duty on parents/carers to ensure that their child is not in a public place without justifiable cause during school hours.

This duty applies to the **first five days of each exclusion**. Failure to do so will render the parent/carer liable to a Penalty Notice. (Alternative education provision will be made available from the sixth day of any exclusion.)

Amount Payable for a Penalty Notice and Consequences for repeat unauthorised absences

1. If you have not incurred a penalty notice relating to this child/children [in a rolling 3 year period](#) since 19 August 2024, then the penalty notice will be charged at the rate of £160.00, **per parent/carer per child**, if paid within 28 days. This will be reduced to £80.00 if paid within 21 days of receipt of the notice. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

2. If you have incurred a penalty notice relating to this child/children since 19 August 2024, the rolling 3 year period will be activated from the date of the first penalty notice and the second penalty notice will be charged at the flat rate of £160.00, **per parent/carer per child**, if paid within 28 days. There will be no reduction for payment within 21 days. Failure to pay the Penalty Notice will result in Surrey County Council considering legal proceedings against you in the Magistrates Court.

3. If you have incurred 2 penalty notices relating to this child/children in the rolling 3 year period since the first penalty notice was issued, then you will NOT receive a third penalty notice – Surrey County Council will have no option but to consider a prosecution, **per parent/carer per child**, in the Magistrates Court under s 444 Education Act 1996.

Surrey County Council is not responsible for authorising pupil absence and therefore cannot withdraw any Penalty Notice requests without the written permission of the Headteacher.
