

11TH September 2020

Dear Year 6 Parents/Carers

Year 6 Transfer to Secondary School

The deadline for applying for secondary school places is 31st October 2020, although Surrey have advised that the application should be in by Friday 23rd October, as this is the Friday before half term. We believe that Secondary Schools will be conducting their open evenings virtually this year. Please visit their school websites for further details. As soon as we are aware of any information regarding open evenings, we will inform you.

We are required to submit a form to Surrey County Council confirming that all our Year 6 pupils have applied for a Secondary School place for September 2021. I would be grateful if you could complete the form overleaf and return it to school as soon as possible. If you have not yet made an application please mark the method you intend to use and remember that all applications should be received by the appropriate authority (the authority you pay your council tax to) by 31st October 2020. As mentioned above, Surrey have advised that the application should be in by Friday 23rd October, as this is the Friday before half term. Please find enclosed a leaflet with guidance on making your application.

If you are experiencing any difficulties submitting your application and would like some help please let me know.

Yours sincerely

Mrs N Mace
