Additional information needed for children claiming 15/30 hours Working Entitlement

[Working parents entitlement - Surrey County Council \(surreycc.gov.uk\)](http://surreycc.gov.uk)

All children who receive the extended free entitlement provision at Acorns Nursery for 30 hours per week are allocated a core offer of 15 hours which will be reverted to in the event of a child's eligibility for this entitlement ending. It is the parents responsibility to ensure that their eligibility codes are up to date.

At this point in time parents will either have the option to directly fund the additional 15 hours per week themselves (refer to the Terms and Conditions document) or reduce their child's nursery provision to the core offer of 15 hours. **Note:** Core offer session days will be discussed and agreed at the time any change needs to be made.
